

OUR CHILDREN NEED YOUR VOICE AND PARTICIPATION AT WATERGRASS!

WHAT IS THE MISSION OF THE PARENT TEACHER ASSOCIATION?

Our mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. -floridapta.org

TOP FIVE REASONS TO GET INVOLVED WITH PTA?

1. Your child benefits when parents get connected to the school.
2. We make a difference by providing support and resources to our school and teachers. This is the main reason we raise funds for our school.
3. Joining does not mean you have to be at every event. We will never push you to commit more than you want, or are able to. There are many ways to support the PTA behind the scenes.
4. There's a lot to be done. Schools and teachers are asked to do more with less. Our help is needed more than ever to help fill the gaps.
5. We are about parent involvement, not fundraising. Our number one goal is to get more parents connected to the school. Fundraising is sometimes necessary, but not our main purpose.
